Welcome to Country Cousins

As parents ourselves, we know that sending a child to study overseas is a deeply emotional decision. It is important to focus on the positive impacts that this experience will bring. At Country Cousins, our priorities are the promotion of self-confidence, international awareness and providing a healthy, safe and enjoyable learning environment for the practice and speaking of English.

Maribel Cabrera, Principal

When I was nine, I travelled to England from my home in Spain and began my Country Cousins journey. Until the age of 17, I spent every summer in North Devon and I grew confident enough in my English language skills to go on to study at the University of York.

I never forgot my experiences as a student - so much so that I came back as an adult, with my wife Maribel and young family. We are proud to offer similar experiences to young people from all over the world.

Jose Brinkmann, Managing Director

“We would like to say a huge thank you to everyone of our students for coming to England to study with us, and thank you for letting us use your photos in this brochure. We hope to see you all soon!”
Our school is situated within the green flag award winning Bicclescombe Park, in the picturesque harbour town of Ilfracombe, North Devon. It is a beautiful Victorian building with a lot of history and stories to tell!

We have 14 well equipped classrooms, a student room to chill out at break times and a picnic area to enjoy the barbecues at lunch.

Channel School is open all year round for groups and during Easter and summer for individuals.

Class sizes average 12 students (maximum class size 15) and are mixed nationality wherever possible to increase English speaking opportunities.
Ilfracombe
North Devon

Ilfracombe is a small seaside town on the North Devon coast in the South West of England.

The town is a safe place to be with a welcoming and traditional community. The town is easy to navigate around. The students that come here love socialising in the evenings and watching the sun set.

Nearby Locations

Woolacombe beach is just 10 mins away. Awarded by TripAdvisor as best beach in the UK for the last 5 years, it is a real capital for surfing and other water sports.

The vibrant market town of Barnstaple is only 25 minutes away and provides big name high street shops, along with great restaurants.

Exeter, the regional centre, is just over an hour away and offers all the facilities and amenities to be expected in a modern university city.
Free Saturday
Airport Transfers

Arrivals
Our students’ experience starts the moment they arrive in England.

We pick up from London Heathrow, Bristol or Exeter airports, as well as St. Pancras train station in London. Our team is always there to meet them at the airport and transport them to the South West of England in our own fleet of sign-written coaches.

On arrival in Ilfracombe they will meet their host family at a designated meeting point and go home with them.

Departures
Every student is escorted to the check-in desk in time for their flight.

Flight cancellations and delays
Make sure your travel insurance will cover long delays or cancellations to cover extra costs, hotels or long waits incurred when picking up at different times.

Note: there is an extra charge for out of hours arrivals and departures. Normal times for arriving in Ilfracombe will be after 1pm and before 10pm. Departures from Ilfracombe are after 6am and before 12pm.
Welcome Meetings - Sundays

Every Sunday, we have an induction meeting where our team greets the students and explains their activity programme, shows them around the school and answers any questions they may have.

Students receive a welcome package including, student card, wristband, map and programme of the week.

After the induction meeting, students go back to have lunch with their families, spend time getting to know each other and familiarise themselves with the town.

First day at School - Mondays

On the first day, students are divided into three sets according to age and choice of activity programme. This enables us to get a great international mix in activities and lessons, which encourages students to always speak English and make new international friends.

At Channel School of English, we have three student sets:

Yellow:  6 – 13 years old
Green: 12 – 16 years old
Purple: 14 – 17 years old
Teaching & Learning at Country Cousins

We have a dynamic and approachable teaching team who are all experienced and qualified teachers. They are continually observed and encouraged to develop professionally.

Emphasis is placed on improving speaking, listening and functional language skills. Speech is initiated with many exercises; from pair and group work to individual presentations, group discussions, debates, role-plays, simulations, music, drama and games.

Materials are varied, lively and up-to-date. The use of technology in the classrooms has opened up a new world of engagement, personalised learning and collaboration for our students.

Every classroom has Wi-Fi and is equipped with a projector. Students are provided with tablets to carry out blended-learning activities. Students take an initial language assessment test and are allocated to the class best suited to their linguistic ability and level (A2, B1, B2, or C1).

Students will receive a course certificate at the end of their course with the level they have achieved and their teacher’s personal comments.

GESE Exam - Trinity College, London

Students staying for 2 weeks or longer can take the Trinity College London Graded Examination in Spoken English (GESE) – an internationally recognised qualification.

Students receive 6 hours a week of training. 95% pass rate in 2018.

2019 dates: Fridays 5th July, 19th July and 2nd August.
**Inside the Classroom**

- Quality and up to date learning materials
- Mix of technology and traditional face-to-face instruction

**Outside the Classroom**

- Problem solving in action
- Learning through experience
Accommodation – Homestay providers

Living in homestay accommodation gives your child the perfect opportunity to experience English life and to practice their language skills in everyday situations.

Our host families are all carefully selected, site visited and inspected by our experienced welfare team. Families treat their visitors as one of the family, providing a happy and secure environment.

We manage the relationship with our host families ourselves – this means that we know each and every one and match students to the settings in which we feel they will be most at home.

Students of different nationalities are placed within the same family to encourage spoken English, which can often lead to life-long friendships!

“Meeting people from all over the world is amazing. My host family was wonderful and so is my roommate.”

Han Wang, Chinese, aged 16
Promoting Acceptance of Language Students (PALS)

The PALS scheme has been running successfully for several years and involves young local people who, during their school holidays, will:

• Integrate with our students
• Attend activities
• Assist in familiarising our students with the area
• Interact with them to ensure they feel welcome
• Encourage all students to be involved

“A worthy project that is very effective”

British Council

The scheme won an international ELTons Award for Local Innovation from the British Council in 2014.

Look out for the PALS logo next to our courses where the scheme is in place.

</table>

£644 per week
Football

Maximum fun and participation for boys and girls of all abilities.

- Develop skills and build confidence on and off the grass pitch.
- Improve team building and communication skills.
- Develop key football skills and put all the training into practice in actual matches.

We use grass pitches, therefore students will need shin pads and studded boots (we do not provide these).

Musical Theatre Academy

Bringing English language to life through drama, theatre and performing arts. At our dedicated theatre space students will use improvisation, role play, story-telling, physical theatre and script work to develop communicative skills and improve confidence in speaking.

- Combine verbal and non-verbal communication in a dynamic environment.
- Learn and employ theatrical vocabulary and terms.
- Play with costumes, props, sound and lighting to develop characters and scenes.

Students will need loose, black comfortable clothing that allows them to move freely and soft soled shoes.

</table>
**Sport Science**

This exciting programme with Andrew Blake of Bay Fitness will include fitness, vinyasa flow yoga, and seminars/lectures on sport science, nutrition and health. It will be open to all levels with progressive and easier options depending on fitness and level.

- Fitness and personal training sessions covering all fitness components: strength, mobility, core, speed, agility and cardiovascular endurance.
- Yoga sessions for the body and the mind with breathing, asana and meditation. Learn the techniques that Andrew uses with athletes he trains including professional surfers and Olympians.
- Lectures including theory on the practical sessions and covering nutrition, training principles, health and psychology.

**Street Dance**

Experience the ultimate modern style of dancing, combining a variety of dance styles to create a hybrid urban, hip-hop dance.

- Learn how to describe dance moves and routines in English.
- Develop confidence by performing routines.
- Lessons include a warm-up, technical exercises and short routines with two qualified dance teachers.

**Students may bring their own dance shoes, but all sessions can be performed barefoot or in socks.**

Academic Placements

We have seen that for students who attend Channel School of English, complete immersion in an English school is often the next natural step.

Country Cousins can arrange for students to spend a term or a year at a local college or secondary school in North Devon, studying subjects within the English National Curriculum.

Students can board at the private school or stay with a host family as day students, with Country Cousins acting as guardians.

Since this is a very personalised and tailor made programme, please contact maribel@country-cousins.com for more information.
Mini Stays for Groups

2nd March to 15th June and from 17th August 2019

Outside of our busiest times of year (Easter and Summer periods), we can offer mini stays for school groups.

All programmes include 15 hours of English and include airport transfers, full board accommodation and one free activity leader for every 15 students.

A typical programme for a mini stay based on 7 nights + 15 hours of English lessons:

<table>
